

## Beautiful, Affordable, Permanent

**tuff-rib**

Quality steel roofing,  
affordably priced

As our most popular panel, Tuff-Rib is a great choice for both residential and commercial purposes. It is our most economical panel, and is available with a 40 year paint warranty. Tuff-Rib is a long lasting metal roofing or siding product, and can be cut to the nearest half inch.

## Beautiful, Affordable, Permanent

### Beautiful

Tuff-Rib steel roofing is available in more than 16 designer colors, carefully chosen and expertly mixed for perfection.

From bold colors of bright red and burgundy, to warm hues of bronze and stone, and everything in between, you are sure to find just the right color to perfectly harmonize with your home.

### Affordable

Tuff-Rib offers quality at a price you can afford. Generally just slightly more expensive than asphalt shingles, Tuff-Rib is an investment worth making.

### Permanent

No more replacing shingles every 10-17 years. With Tuff-Rib, you can replace your roof once, and rest assured that you will likely never roof again. With a 40 year paint warranty, and 30 year fade warranty, Tuff-Rib metal roofing is expected to last 50 + years, with virtually no maintenance.

### Specifications:

- 40 Year Paint Warranty
- 29 and 26 Gauge Available

### Advanced Protective Coatings

Tuff-Rib is protected by baked on enamel paint: tough for installation, resistant to fading, and Energy Star® reflectivity to save on utility bills.

**Paint:** Durable baked on paint offers a permanent finish, easily lasting 40+ years. This ensures protection and beauty for years to come.

**Galvalume:** Under the paint, Galvalume (55% zinc, 45% aluminum) provides lasting corrosion protection, even if paint is scratched during installation.

**Steel:** A heart of high-tensile steel guarantees strength and endurance. With the highest ratings possible for wind, hail, and fire, Tuff-Rib is ready to weather anything nature throws its way.
